

Large Drainage Hole Anti-Fatigue Mat Competitor™ T30

Product Images

Short Description

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from worker platform
- Low profile for cart traffic
- General Purpose Rubber
- Molded in beveled edges on all 4 sides
- 1 year warranty

Description

Competitor™ is a cost effective lightweight anti-fatigue mat with molded-in beveled edges for a more workstation oriented environment. Available in general purpose rubber and has a lightweight design making it perfect for applications where the mat is routinely moved for cleaning. Large hole drainage system facilitates the removal of liquids and debris from work areas and the molded-in beveled edges reduce trip hazards, allowing for easy access onto and off of the mat.

Specifications

Model No	T30
Brand	NoTrax
Available Colors	Black; Red
Thickness	1/2"
Surface	Drainage Holes
